

Are you passionate about the space industry and driven by the thrill of building strong business relationships? Peak, a leading European innovator in advanced COPVs, is looking for a dynamic and experienced Sales Agent & Space Business Developer to strengthen our successful US market entry.

SALES AGENT & SPACE BUSINESS DEVELOPER - US MARKET (f/m/d)

As our US representative, you will play a dual role, combining sales expertise with business development skills. This is an exceptional opportunity to make a tangible impact in a cutting-edge industry while representing a company at the forefront of space technology.

YOUR KEY RESPONSIBILITIES WILL INCLUDE

- **Driving Sales:** Market and distribute Peak's COPVs (Pressure Storage Tanks) to prospective clients across the United States.
- **Business Development:** Identify and cultivate new business opportunities.
- **Networking:** Build and expand a robust network of industry contacts to promote Peak's solutions.
- **Event Representation:** Represent Peak at major space tech exhibitions and events in the United States, showcasing our capabilities and innovation.
- **Brand Advocacy:** Act as the face of Peak in the US, fostering trust and credibility with customers and industry stakeholders.

WHAT WE'RE LOOKING FOR

We are seeking a proactive and results-oriented professional with:

- **Experience in Sales & Business Development:** Proven success in generating leads, closing deals, and managing client relationships.
- **Space Industry Knowledge:** Familiarity with COPVs and their applications in aerospace or satellite systems is strongly preferred.
- **Exceptional Networking Skills:** Ability to connect with key decision-makers and build long-term relationships.
- **Strong Communication:** Confident presentation and negotiation skills, with an ability to articulate technical solutions to non-technical audiences.
- **Self-Motivation & Pragmatism:** A hands-on approach to achieving objectives and meeting customer needs.

WHY JOIN US?

- **A versatile role in a successfully growing company - Be part of the story:** We're currently preparing our success in the USA, and with this launch underway, you'll have the chance to leave a significant footprint and be part of the very first steps.
- Technical innovation and challenges in the aerospace and motorsport industries
- Training programs to promote professional and personal development
- A collegial work atmosphere with a first-name culture in a company that values teamwork
- Flexible working hours
- Various company events

- Further benefits

PLEASE SEND US YOUR APPLICATION, INCLUDING:

- Examples of successful sales strategies you've implemented.
- Insights into your experience in the space or aerospace sector.
- Demonstrated ability to build and leverage professional networks.

Join Peak and help us shape the future of space innovation!
