

*Our products give wings to helicopters, fuel Formula 1 cars,
launch rockets into space, electrify aviation,
store hydrogen and win the 24 hours of Le Mans.
The challenge drives us.*

To strengthen our team we are looking for a:

CNC MACHINING TECHNICIAN (f/m/d)

YOUR TASKS

- Independently clamping workpieces – proactively and without instructions
- Independent programming with Hypermill and Siemens 840D
- Documenting and archiving your created NC programs
- Selecting the appropriate machining tools
- Reading and understanding technical drawings
- Responsible handling of cutting tools (e.g., cutting data, depth of cut)
- Assembling and measuring tools using presetting devices
- Confident handling of a wide range of materials and their machining processes

YOUR PROFILE

- Completed vocational training (e.g., Toolmaking Technician, CNC Machining Technician, etc.)
- Completed civilian/military service
- Several years of professional experience is an advantage
- You work independently and reliably
- Strong quality awareness
- Team player
- Willingness to engage in further training
- Good command of German, both spoken and written

WE OFFER

- Work on state-of-the-art 5-axis CNC machines (Hermle, WFL, Kern)
- Varied tasks – no mass production
- Long-term prospects with real advancement opportunities
- Technical innovation and challenges in motorsport and aerospace industries
- Thorough onboarding – we won't throw you in at the deep end!
- Training to support your professional and personal development

- A family-like working atmosphere with a first-name culture in a company that values "we" over "me"
- Meals provided by our in-house kitchen with freshly prepared food every day
- Various company events
- Additional benefits such as company bicycle, public transport pass (Klimaticket), corporate benefits, and more

Based on your education, qualifications, and professional experience, we offer you an attractive, market-competitive salary. This ranges between EUR 34.000,00,- and EUR 60.000,00,- gross per year on a full-time basis.

We are looking forward to your meaningful application!
