

At Peak Technology, we develop and produce high-performance solutions for motorsport and aerospace. Our products power Formula 1 cars, launch rockets into space, accompany satellites in orbit, and win the 24 Hours of Le Mans. What drives us? The next tenth of a second, the next orbit. If you're ready to push boundaries, join our team.

And that's why we're looking for you as a:

TEAMLEAD INSIDE SALES (f/m/d)

Do you want to take on responsibility and actively shape our sales activities? Then you're in the right place! In this role, you will lead our internal sales team, oversee the entire proposal process, and apply your expertise to turn inquiries into tailored solutions.

YOUR MISSION

- Lead the internal sales team both professionally and disciplinarily
- Build and further develop the team structurally
- Manage the budget and optimize the internal sales operations
- Share your knowledge through coaching, training, and day-to-day support
- Define clear goals and achieve them together with your team
- Identify customer needs and translate them into concrete proposals
- Take responsibility for the entire proposal process – from inquiry to submission
- Establish an effective and efficient proposal management system

- Maintain and improve CRM data quality
- Ensure operational efficiency and accuracy in all internal sales activities
- Act as the interface between sales, operations, product development, finance, and other departments
- Question and improve processes while contributing new ideas
- Review calculations and develop proposal strategies

WHAT YOU BRING

- Technical or commercial education (HAK, HTL, FH/University)
- Experience in sales, especially in proposal management, would be beneficial
- Leadership or project management experience is a plus – you share your knowledge and motivate others to give their best
- Strong skills in ERP systems, Excel, and calculations
- Excellent communication skills and enjoyment of cross-departmental collaboration
- Analytical thinking with a structured, solution-oriented approach
- Excellent command of English; knowledge of German is an advantage
- Ability to stay organized and calm even under pressure

WE OFFER

- A versatile role in a successfully growing company
- Technical innovation and challenges in the motorsport, aviation, and aerospace industries
- Training programs to promote professional and personal development
- A collegial work atmosphere with a first-name culture in a company that values teamwork
- Meals provided by the company kitchen with freshly prepared dishes daily
- Flexible working hours
- Various company events
- Further benefits such as: Company mobile phone, company bicycle, climate ticket, corporate benefits, ...

Based on your education, qualifications, and professional experience, we offer you an attractive, market-competitive salary. This ranges between EUR 49.000,00,- and EUR 75.000,00,- gross per year on a full-time basis.

Sounds exciting? Then apply now and become part of a young, dynamic team that lives and breathes technology while shaping the future.
